RE: OPRA #180424-209583

Dear Mr. Fischler:

Attached please find the records responsive to your Open Public Records Act request for "subsequent emails from NJ Transit to the U.S. Department of Transportation concerning the EIS." Certain records have been redacted pursuant to N.J.S.A. 47:1A-1 to exclude personal identifying information based on a citizen's reasonable expectation of privacy. In addition some records contain information considered "advisory, consultative, or deliberative" and have been redacted to exclude this type of information.

Please be advised that NJ TRANSIT is not in possession of a record responsive to your request for documents accompanying NJ Transit's submission of the EIS for the Hudson Tunnel to the U.S. Department of Transportation or Federal Transit Administration.

By email dated September 18, 2018, we notified you that further information was needed in order to continue processing your request. As of today we have not received your response.

At this time, your request shall be deemed closed. If you have any further concerns, you may contact me at (973) 491-7178.

Sincerely,

Orlando Cor-Dova
